### PROFESSIONAL EXPERIENCE

#### WALGREEN CO, Deerfield, IL

##### Senior Business Analyst Pharmaceutical Integrity (2012-present)

Monitors compliance with Walgreens Good Faith Dispensing practices through utilization of a wide variety of analytic techniques. Unlocks visibility using data mining to understand the business need for improving and optimizing controlled substance distribution for the enterprise all the while diminishing patient diversion.

- **Provides ad-hoc analysis** for corporate leadership in order to identify sales/purchase trends that highlight potential problem areas.
- **Intricate knowledge of the Walgreen Co. Strategic Inventory Management System (SIMS).** Skilled at finding insight into enterprise inventory situations when product re-ordering becomes insufficient.
- **Creates SQL logic to identify areas of interest** where suspicious ordering and distribution of controls would leave the enterprise at risk of violation of federal and state laws.
- **Perform ad-hoc store visits to optimize the policy and procedures around Good Faith Dispensing.** Help provide direction to stores when they have concerns or issues filling controlled substance prescriptions.

#### WALGREEN CO, Deerfield, IL

##### Pharmacy Inventory Specialist (2010-2012)

Primary point of contact for all Walgreen drug locations for monitoring in-stock levels of product in order to maintain a consistent level of high patient satisfaction. Built bridges with wholesalers to resolve any store ordering issues when product had limited availability.

- **Aided in inventory control** of \$15 billion of pharmacy inventory across the Walgreen enterprise.
- **Managed pharmacy vendor catalogs** including troubleshooting any vendor issues by working with vendor directly.
- **Assisted retail and on-site locations** with inventory levels, purchasing, and returns reducing overall company spend by \$80 million annually.
